## ***Students Feedback on Professors: Teaching and Learning Conducted By the IQAC:***

FEEDBACK

Students' feedback plays a vital role in enhancing the quality of professors . Upon completion of every semester, the feedback about the professors is collected from students with 75% attendance.

1

The questionnaire is designed in such a manner that it covers all aspects of teaching and learning.

2

This questionnaire is made available to the students online and students are provided with enough time to provide the feedback.

3

Students are also instructed to provide an honest and critical feedback about the professors.

4

Feedback is collated individually,  
Department wise

5

The feedback is communicated to the Vice Chancellor for further action

## VICE CHANCELLOR

6

The Vice Chancellor collates the feedback received from the students and adds his own observations too.

7

The concerned professors are called and a copy of the same is provided, to facilitate the professor in understanding his/her strengths and the areas of improvisation.

8

The professors receive the feedback positively and an action plan is prepared and submitted to the Vice Chancellor.
