General Guidelines for Continuous Internal Assessment Modules

1. Mid Semester Exam (20/15 Marks)

- Mid Semester Exam will be conducted for 90 minutes / 120 minutes.
- Mid Semester Exam will be conducted after 60% of syllabus completion.
- Question paper will be on the pattern of XUP End Semester Examination (2 marks, 4 marks and 12 marks Questions)
- One 12 mark case study is compulsory

- The questions will be prepared to based on Bloom's Taxonomy to implement Outcome Based Educations (OBE).

2. Class Presentation (5 Marks)

- Each student will give one class presentations per semester.
- The presentation will be done in a group of 5 students.
- The course professor will prepare presentation topic with the cous on higher level of learning (Understand /Aplyy / Analyse / Evaluate / Create). For example: Integrated Assignment / Case Discussion / New Startup venture / Business Idea / etc)
- The Dean will assign presentation topics in consultation with course professor.
- Each group will get 25 minutes to present (23 minutes for presentation and Questions + 2 minutes for introduction and logistics).
- Class presentations can be in the form of power point, scanned notes, points on black board, banner or any other creative teaching method.
- Student needs to deliver the content in short with clarity. So you are advised to show your presentation to course professor in advance and carry out the suggestions. This process carries marks.
- The evaluation will be done by the subject professor and one external expert.
- The dean will prepare the schedule for class presentation and submit the same to examination department 20 days in advance for the approval of CoE.
- **Evaluation Criteria:** ppt preparation (3), class attendance (2), content of presentation (10), answering questions (5), personality and communication (5), Individual Contribution (5)

3. Formative Assessment (10 / 15 Marks)

- The course professor will design 2 assessment activities from the given pool or any other suitable assessment activity to implement Surface learning / Applied learning / Experiential Learning
- Course Professor will submit the detailed plan to the Dean / HoD and CoE for approval
- The details of the assessment should be submitted in the prescribed format.
- The approved notice must be given to studnts atleast 20 days in advance.

4. Practical Test 1 (5 Marks)

- There will be 1 Practical Tests conducted along with Mid Semester Exam
- The Practical Test will be conducted for 40 minutes.
- Student needs to submit Lab Manual while appearing for practical test. It should have details of the number of exercises completed, date, sample data, table or any formula involved, sample output etc.
- Lab manual will carry 20% of the internal marks
